Smart Insights

Loan Book closed at **₹20.74B** in Dec, up **7.6% vs Jan**, indicating overall portfolio growth.

December recorded the highest Interest Income at ₹174.23M, around **20.9% above February**, the lowest month.

September was the only loss-making month, with Net Profit falling to **-₹7.46M**, mainly due to a sharp **₹76.79M Provision Expense spike**. Margin pressure was highest in **June**, when NIM fell to about **4.15%** while Cost of Funds peaked near **6.01%**.

Credit stress peaked in **October**, with Overdue Principal reaching about **₹252.90M**. By year-end, around **82.0% of the Loan Book was performing,** while High-Risk Exposure represented roughly **18.0%** of total loans.
